

DecodeX – Final Round Guidelines & Preparation Kit

24-Hour On-Campus Business Use Case Challenge

28th Feb – 1st March

Venue: N. L. Dalmia Institute of Management Studies & Research, Mumbai

Round Overview

The Final Round of DecodeX is designed to test analytical depth, strategic thinking, teamwork, and execution under pressure.

- **Mode:** On-Campus (24-Hour Challenge)
 - **Case Allocation:** Business use case will be provided on the event day
 - **Domains Covered:** Finance, Marketing, Healthcare, Technology, Operations / Strategy
 - **Participants:** Teams qualified from Round 2
-

Competition Flow Structure

Step 1: Case Release (10:00 AM – Day 1)

- The case will be provided at the start of the challenge.
- All required data/material will be shared at that time.

Step 2: 24-Hour Work Window

- Teams will analyze the case, build models (If necessary), and prepare final deliverables.

Step 3: Submission (10:00 AM – Day 2)

Teams must submit:

- MS Word Report (Detailed Analysis)
- Presentation Deck (Final Solution Summary)
- Supporting Analytical Files (Excel / Power BI / Python / Financial Models / Dashboards etc.)

Late submissions will not be evaluated under any circumstances.

Evaluation & Shortlisting Structure

Phase 1: Initial Evaluation

Each team will be evaluated out of 100 marks based on:

- Analytical depth
- Business understanding
- Practical feasibility
- Financial logic
- Clarity of communication
- Innovation

Phase 2: Shortlisting

Top 10 teams will be shortlisted after submission review and will be eligible for placement/ Internship Opportunities.

Phase 3: Final Presentation Round

Top 5 teams will present their solutions before the jury. Presentations will be followed by a Q&A round.

Judges will assess:

- Clarity of thought
- Defense of assumptions
- Practical viability
- Strategic maturity
- Confidence and articulation

Final Outcome

Among the Top 5 presenting teams:

- Top 3 teams will be declared winners.
- Final rankings will be based on combined submission and presentation performance.

Rules & Compliance

- Laptops are mandatory.
- No external assistance is allowed.
- No internet-based collaboration with outsiders.
- All work must be created during the 24-hour window.
- Any plagiarism or use of pre-built solutions will lead to immediate disqualification.
- Late submissions will not be accepted.

Campus Stay Policy

- No participant will be allowed to leave the campus after registration.
 - All necessary arrangements will be made on campus.
 - Teams must remain available on campus throughout the challenge period.
-

Food & Accommodation Arrangements

To ensure a smooth experience:

- Breakfast and Lunch for both days will be provided on campus.
- In the evening, multiple food stalls will be available on campus. Participants may purchase food directly from the stall vendors.
- Sleeping arrangements will be made on campus for all participants.

Participants are advised to plan accordingly and carry essentials required for an overnight stay.
